COMPANY PROFILE

ABOUT US

STAR NURSING COMPANY is an end-to-end Healthcare outsourcing company in the State of Qatar. We are your doorstep to quality healthcare and medical services licensed by the Ministry of Public Health, rendering a high level of medical service that meets and exceeds the parameters of various industries.

A woman with dark hair tied back, wearing blue V-neck scrubs, stands with her hands in her pockets against a teal background. In the top left corner, there are white abstract line drawings of a hand and a heart.

STAR NURSING a medical and nursing services company is a Qatar based healthcare staffing provider company that is led by very experienced healthcare consultants providing high caliber standardized care for all our customers for all segments schools, clinics, hospitals, companies and home.

we are committed to excellence in all what we do and we are sure that you will notice the difference.

Your Doorstep to Quality
Healthcare & Medical Services

VISION

To be Qatar's leading healthcare agency providing the best practitioners, the highest quality and affordability.

MISSION

To improve the Quality of the way our patients live at home. And to be an active member of the advanced Qatari health sector leading change in the way home healthcare is delivered and introducing valuable services to that category of healthcare providers in addition to the traditional services of caring for the sick, elderly and children like physiotherapy and speech therapy and constantly improving our services using up to date best international practice and innovation to improve our client's satisfaction.

SERVICES

We provide licensed ready to join registered nurses, midwives, caregivers, physicians and therapists in the comfort of your facility according to the facility policies and procedures under the healthcare standards. You can rest assured that they will be well trained and evaluated to the position they are assigned before they start job. We will also provide experienced physicians to schools and companies requiring medical care for their students and employees on site without having to go through the hassle of state requirements for licensing health care practitioners as we will do all that for you.

A close-up photograph of a hand with light-colored nail polish holding a light blue, textured knitted sweater. The hand is positioned on the right side of the frame, with fingers gently gripping the fabric. The sweater has a prominent ribbed pattern. The background is a solid teal color, which is part of a larger graphic design. The overall composition is clean and focused on the tactile quality of the fabric and the human touch.
